My favourite part of the job is connecting people, I just love it when great minds, good friends and big hearts get together. Working or celebrating, snacking or fine dining, Hotel Jen Brisbane has plenty of space to scale your next event.

I've always said that what really makes a venue special is what drives the energy - the food, drinks, lights, action, and of course the conversation! That's why I put so much effort into making sure each and every meeting space and package is designed to keep the energy high and is specially fitted for exactly what you need.

Why choose Brisbane for your next meeting or event?

Brisbane is Australia's third-largest city and the crown jewel of Queensland! Lucky for you, my hotel is set smack dab in the middle of this vibrant yet laid-back city.

With world-class art galleries, trendy cafes, a booming creative culture and that relaxed Aussie attitude, Brisbane is a destination full of surprises! Don't be afraid to get off the beaten path as one of the best ways to become acquainted with Brisbane is to wander freely.

Eat and Play Well

My spacious and bright functions space offers a different working lunch each day of the week. From gourmet BBQ to Asian delights, my creative menus are sure to excite the taste buds.

For something a little different, experience exciting and experimental flavours at Nest Restaurant and Bar. My Asian inspired shared menu encourages a casual and interactive dining experience. Over at the bar, guests can enjoy creative cocktails and small bites with Asian touches in a laidback atmosphere overlooking the 100-year-old, red lantern clad fig tree nearby.

My functions space is also home to my organic 'Sky Garden' terrace, growing over 20 vegetables and herbs which are used daily by the kitchen. I also house six beehives producing a 'multi-floral' honey as a result of the biodiversity in the Roma Street Parklands.
