# WHAT IS THE ESCAPE HUNT EXPERIENCE?

- Escape Hunt is a real life first person escape game concept.
- Players in teams of 2-5 are “locked” inside a room and must explore their surroundings, solve riddles & clues in order to “escape”.
- The game requires players to be observant and utilise their critical thinking skills to solve challenges and riddles.
- There is no strenuous physical activity involved. All you need is a healthy, working brain!
- All games can be solved but are challenging, requires good teamwork, observation, problem solving and communication skills.

## OUR VENUE

The Escape Hunt Experience Gold Coast is comprised of the lounge, game rooms and beer garden.

**GAME ROOMS:** We have 6 x game rooms consisting 3 x game themes (including 2 duplicate themes to allow players to go head to head on the same challenge simultaneously). We recommend groups of 2-5 players but will allow 6 per room as a maximum. This means we can accommodate 36 players at one time. Test your skills in Kidnapped on the Beach, Murder in the Cellar or The Lost Weapon.

**LOUNGE:** We have a large and comfortable lounge area that can be set up for your event to incorporate your own activities and stagger start times for larger groups of up to 60 people. We also have a 55" TV that can be used for your corporate presentation purposes.

**BEER GARDEN:** We have a private outdoor 'beer garden' that can be used as a breakout area before or after the game sessions, as part of your Escape Hunt experience. Inclusive of complimentary BBQ facility, outdoor games like giant Jenga and WiFi access!

## TESTIMONIALS

*Escape Hunt was a unique experience and thoroughly enjoyed by everybody. The activity placed the team in a unique situation which encouraged (and required!) every member to contribute and work together in order to achieve the objective. This sets Escape Hunt apart from other team building activities we've tried in the past. Highly recommended!"*

**Listed Equities, Macquarie Group Limited, Australia**

*The team really enjoyed the team building. It was a lot of fun and really useful for us as a whole in getting to know each other, and learn about individuals personalities outside of the office"*

**Alicia P. T. McKenzie, Chief Operating Officer, Footsteps Worldwide**

*Definitely encourages teamwork and clue solving. It was a very good experience. The staff were extremely helpful, and the setup was well designed. Our group (all first timers) had a lot of fun! The challenge was reasonable and it is an activity which everyone can enjoy! A good bonding session within the team and last but not least, really great heart-racing fun, and an excellent exercise for the brain too! We will definitely recommend it to other team/family/friend"*
