◆ RUN A TAB

A simple option where you select a range of beverages to offer your guests and set a limit on the amount you're happy to spend. Other drinks that are not included in the tab are available for purchase by guests.

◆ SUBSIDISED DRINKS

For functions we offer a very flexible subsidised drinks option where you may subsidise the cost of your guests beverages. In this scenario, your guests pay a certain amount per drink as they order, and the balance is charged to your account. You can tailor the pricing to suit your budget and set a limit to the total amount you're willing to contribute.

Our beer prices range from \$5-\$6.50, our wines by the glass from \$6-\$10 and our soft drinks are \$3.50. Feel free to give us a call if you'd like anything clarified.
