WEDDINGS AT BRISBANE CITY HALL

BRISBANE CITY HALL

Brisbane City Hall is one of Queensland's most significant heritage and cultural icons.

Since its opening in 1930, Brisbane City Hall has been a symbol of civic pride. Over the years it has become one of Brisbane's greatest icons of elegance and grandeur.

Both the Queensland Heritage Register and the National Trust of Queensland list Brisbane City Hall as a 'culturally, historically and architecturally significant building'.

Your experience begins as you enter the magnificent King George Square foyer where the grand marble staircases provide the ultimate backdrop to capture the memories of your most special day.

The vaulted ceilings, chandeliers, mosaic tiled floors and luxuriously restored function rooms provide the ideal setting for your wedding.

Whether it's a grand event for hundreds of guests or a more intimate wedding, EPICURE will ensure your wedding is part of the magical history of Brisbane City Hall.

EPICURE Philosophy

A UNIQUE PHILOSOPHY FOR THE GOOD LIFE

Favouring local suppliers, we're always aiming to reduce our carbon footprint by supporting home grown, environmentally sustainable produce.

It's a food philosophy that we feel very strongly about. It goes to the heart of the Epicurean philosophy – creating happiness through good food, good wine and good friends – in a way that does no harm.

This approach means we are constantly researching suppliers who produce food of exceptional quality using humane methods.

We use free-range poultry and free-range small goods wherever possible, and we never use cage-reared eggs. All seafood is Australian, farmed or wild.

Our philosophy also extends to the sourcing of specialty local dry goods such as nuts, grains and vinegars, as well as local mineral water, 100% Australian orange juice and a fair trade coffee blend. This approach has helped us to create exciting seasonal menus that revolve around fresh local produce when it's at its best.

So whatever time of year your wedding is being held, you'll be guaranteed an outstanding meal.

Our chefs combine this ethical approach with their great passion and extensive experience. They draw inspiration from food trends from around the world and bring this to all of their dishes.

Good food with an ethical approach, not only creates a great event; it's a key ingredient in the good life.
