Wedding Packages

Welcome to the Lady Cutler where every event is unique and special. We pride ourselves on producing stunning wedding events and making the entire process seamless and memorable, the event you are dreaming of.

We have specially designed packages, all of which include exclusive charter of the cruise vessel the Lady Cutler, food and beverage for you and your guests, decorations and styling. There are plenty of optional extras such as entertainment, premium beverages and cocktails, audio, visual and lighting upgrades, and a detailed list of decorating possibilities.

Another unique advantage of celebrating your special day on board the Lady Cutler is that we have the flexibility to cruise to different stunning locations. You can use the following locations as backdrops for your wedding photos, the Bolte Bridge, Williamstown Yacht Club, Victoria Harbour with the Melbourne Star, or a sunset as backdrop. Viewing destinations may include The St Kilda Pier, Historic Williamstown, Brighton Beach Boxes and of course the bay of Port Philip.
