

INTRODUCTION

Holy Moly is Hawthorn's latest and greatest multi-faceted entertainment venue with the versatility, space and quirky features to host unforgettable events.

Conveniently located next to the Glenferrie Train station, the entire venue (formally known as Cheers / Caseys) to Melbourne's Gen X's and Y's) boasts a captivating space over two levels, that can house over 700 guests. The interiors come courtesy of veteran creative, Michael Delany, with artwork by local artist Billie Justice Thompson.

Holy Moly & Untz Untz can be utilised together as a whole venue, or sectioned off into separate rooms or spaces, depending on the function requirements.

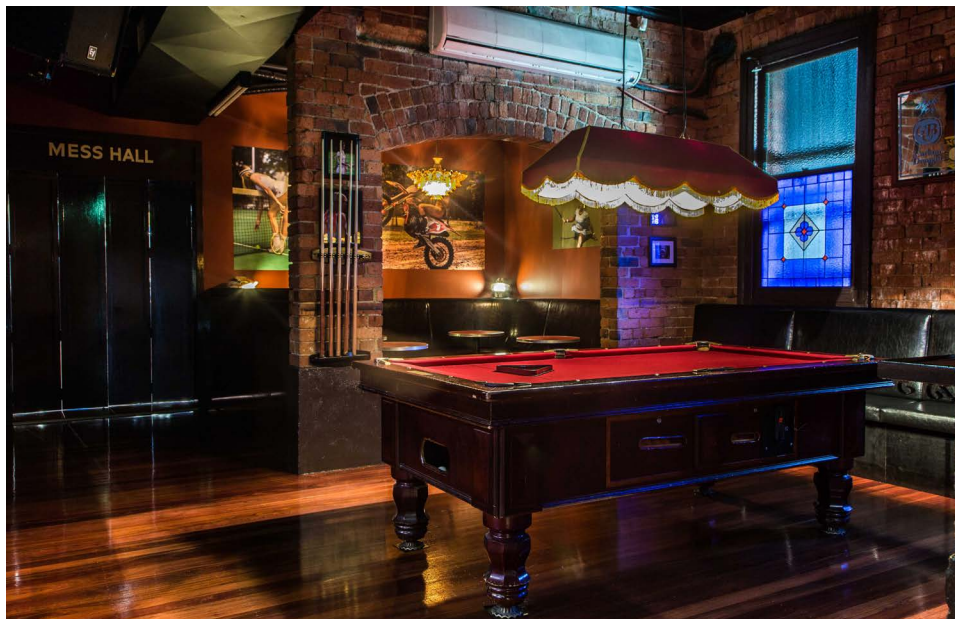

HOLY MOLY

Holy Moly is comprised of two main spaces, the more intimate Sports Bar, and the larger Mess Hall. Whilst the two spaces flow freely between each other and can comfortably fit 200 - 500 people (including the outdoor space), clients also have the freedom to tailor the space to suit the requirements of their function.

Our fully functioning kitchen can provide a wide range of high quality food (including our famous pizzas) and bar packages can be tailored to suit all requirements and budgets. Holy Moly boasts a wide range of beers and cocktails on tap, along with standard wine and spirit lists. Amenities and security is included with any of our packages, further entertainment (DJ's, photographers) can further be arranged at additional cost.

HM - MESS HALL

Located directly next to the Sports Bar, our Mess Hall is a stark contrast to the previous space, with a retro chapel theme and fully functional bar. With three screens and one projector (perfect for those 21st baby photo slide shows) the Mess Hall is perfect for birthdays, engagements or any event that wants a dedicated shrine to the good times. This space can be divided up into four sections to comfortably fit 150-250 people.

UNTZ UNTZ

From sports bars to a nightclub - we really do have it all. Take the stairwell up to the first floor, where you'll be greeted by Untz Untz, a multifaceted entertainment venue, with music at its core. The venue is divided into two spaces, the Bandroom and Infinity Room, which together can house up to 400 people.
