Celebrating with the Freedom Hub

With every event whether it is a 30th birthday or an office luncheon, you have so many options and decisions to make. Most people that have come to the Freedom Hub for their event, have chosen us so that they can make a statement about their values and want to leverage their spending to make the world a better place. Their guests love it too, as it adds an extra “feel good” factor.

Our venue is not trying to compete with the well-honed venues that offer high price points for ease of mind. The Freedom Hub offers you a blank canvas to create your own style and make your own choices. Our space is a mix of eclectic styles, modern and traditional furniture, a wide open space with plenty of room for your own styling.

You have three choices:

1. You can simply hire the venue and do everything else yourselves.
2. You can hire the venue and choose our preferred ethical partners (below)
3. You can have us help you with and assisted event.

Investing in an event at the Freedom Hub also acts as an investment into the lives of others. We give all profits to survivors of human trafficking, to help them rebuild their life.

To make your event completely ‘slave free’ and ‘ethical’, we have audited carefully chosen suppliers, who are in line with our values and vision. They will work with you to provide everything you need for your event. Below are their details.
