

MESA.
VERDE
~~~~~

**MESA VERDE IS NOT  
YOUR AVERAGE BAR  
OR RESTAURANT.**

We take refuge on the sixth floor of Melbourne CBD's infamous Curtin House.

Our approach to traditional Mexican dining is bold & unique. Utilising seasonal & local produce, our kitchen pushes the boundaries whilst acknowledging the beauty of long-established Mexican flavours & techniques. Be sure to add a few dashes of the house made explosive Hazard Sauce to any dish. Guaranteed "To make you see double & feel single".

We're obsessed with everything agave. Boasting one of Australia's largest collections of tequila & mezcal, there is something for the curious novice to the seasoned aficionado. Our agave obsession does not end there, with a list of fresh & inventive margaritas designed to get you in trouble.

**NOT AN AGAVE FAN?  
NO PROBLEM.**

There is plenty of firepower on our back bar, which hosts rare & interesting spirits from all around the globe.

On the weekends, Melbourne's finest DJ's take control of the Mesa Verde airways flipping records from their own personal collections.

We can cater to groups small or large, from sit down dinners to cocktails & canapés.

Let our talented team look after your event.
