

## Functions at Tallboy and Moose

Thanks for getting in touch regarding your potential booking. Below is all of the pricing information and details regarding large functions. We have many options that might suit you. The 1/3 venue booking and 1/2 venue booking are most flexible and can work well for up to 100 people. These first two options give your group a dedicated space but do leave a portion of the venue open to the public, outside of your partitioned area. At this point in time, a full venue booking is only available Monday-Thursday from 12pm onwards.

We have a minimum spend for the group and a booking fee that is used to lock in your date, but is included as part of the minimum spend. Full payment of the minimum spend is due prior to the event. If you are operating your event as an "open bar", we will let you know once the minimum spend is getting close/has been met, and you can let us know in advance if you'd like to continue running the tab as an open bar or if you would like to change over to a cash bar at any particular point.

If you would like to operate your event as a "cash bar", a refund of your pre-payment will be made on the day to balance what has been spent by the group versus the minimum spend.

The minimum spend is for the bar specifically, but you are more than welcome to add on food packages for your event which are detailed below.

### Venue Partition – 1/3 the venue (max. 65 people)

Minimum Spend - \$1700 at the bar

Booking Fee - \$300 (acts as part of the minimum spend, but is paid in advance to lock in your date)

### Venue Partition – 1/2 the venue (max. 100 people)

Booking Fee - \$300 (acts as part of the minimum spend, but is paid in advance to lock in your date)

### Full Venue (max. 210 people – Mon-Thurs evening/night only)

Minimum Spend - \$5000 at the bar

Booking Fee - \$500 (acts as part of the minimum spend, but is paid in advance to lock in your date)
