

**FUNCTION &
CONFERENCE VENUES**

VENUE

VENUE FEATURES

Unidus Community Centre is a picturesque function venue with a capacity of 1200. This large, multi-purpose function venue located in Brisbane's southwest region, in the suburb of Willawong, is the perfect venue for any occasion.

The facility features a large auditorium (700pax) suitable for concerts, weddings, parties and seminars. As well as additional smaller seminar rooms (50-80pax) that can be joined to double the available space for corporate events, engagements and receptions. A commercial kitchen is also available to license caterers of your own choosing.

Hire is available (until 12am) all day Monday to Friday with Sunday available after 3pm only. Come visit the venue anytime for a tour!

The venue typically hosts large events of between 200-600 guests with most organisers preferring to make use of the auditorium space combined with either sit-down dining or buffet dining. The large floor of the auditorium is also suitable for any event type requiring just an indoor space, like exhibition-style events. Special moments remembering the life of a loved one - memorials and funeral services - are also events Unidus take into consideration and go the extra mile in working with funeral directors and the family. The relative seclusion from neighbours due to the size of the site is advantageous to general noise issues, particularly for concert events.

Unidus Community Centre is renowned for providing excellent service that can cater to each unique function and it's specifications. The venue's flexibility, self-sourced dining and catering, make it a favourite with the locals.

VENUE DETAILS

VENUE INCLUSIONS

VENUE

Guests may roam freely within designated areas. Unidus may have multiple parties using the facility, particularly on weekends.

ENTRANCE

Enter via Sherbrooke Rd through opened doubled gates on a long driveway.

WEDDINGS

INDOOR & OUTDOOR

A MODERN WEDDING VENUE

Unidus Community Centre is modern wedding venue on Brisbane's southside with outdoor and indoor spaces available for your special day. We have rooms and spaces that are suitable for both large or intimate sized weddings and receptions. Our Auditorium (indoor) and Pavillion (outdoor) are popular options because they are spacious and allow a creative Bride and Groom the opportunity to create their perfect wedding day.

The Auditorium has professional-grade video, lighting and audio equipment and is fully air-conditioned. We can also provide portable audio equipment if you decide to hold your ceremony under the grand arches of the Pavillion. Also, with the kitchen nearby it's easy for catering and food to be served if you decide to provide your guests with light refreshments or have a sitdown meal.

Additionally, we can also arrange for professional photographers, videographers and photo booths to capture all the beautiful memories and recommend catering options that will help celebrate with friends and family.

PLEASE SPEAK TO US ABOUT YOUR FUNCTION DETAILS.

FOOD

Unidus does not provide in-house catering services but does allow for external catering. For any on-site cooking, a licensed caterer with 4-star rating is required. Additionally, we allow alcohol to be provided but may not be charged. If you wish to sell alcohol, a caterer with alcohol license is required.
