Substantial food served in a cocktail style where guests can mix freely. Food quantity by weight is more than some sit down dinners (16 pieces). Food to be carried around by girls in traditional dress to guests. Additional platters will be placed around on tables to avoid congestion and let people help themselves, i.e. similar to a buffet. Tables with seats set depending on your requirements but no table service.

Your guests can mingle and your event will be more relaxed and casual whilst maintaining a level of sophistication. People won't complain about getting seated at a table with people they don't like. Upon request we will provide ample tables and chairs for your guests to casually congregate at.

Again, the food quantity is equal if not more than a normal 'sit down' wedding. Dishes include selections from below.

### **Cold Selections**

## Frequently asked questions

### **How big is it? Will my wedding fit? I don't want it too squished / too roomy.**

Tsunami's garden is L-shaped. Most weddings are around 70-80 people. For that we use only the main garden area which is what you see in most photos. For larger weddings we utilise the left hand side of the L shape to expand to fit in 130-140 people. It's best explained when you come in to view the area. Meanwhile you can use Google Maps to have a look inside. Click on the link below.

[https://maps.gstatic.com/intl/en\\_us/mapfiles/cb/mspp/pano\\_viewer.html?panoid=SP8AGM1WEGUAAAQvOivRzg](https://maps.gstatic.com/intl/en_us/mapfiles/cb/mspp/pano_viewer.html?panoid=SP8AGM1WEGUAAAQvOivRzg)

### **Can I vary the menu?**

Absolutely. The menus above can be changed if you have alterations you want to make. The chefs are quite versatile. Some alterations will lead to price increases.

### **Is there a minimum spend ?**

Yes, mainly for Saturday nights (\$7,500). Please see your function co-ordinator for availability and details of minimum guest numbers required.

### **Vegetarian**

A Vegetarian Alternative is available in all packages as standard but we need to know the number required in advance. We humbly suggest you include on your RSVP's a small box to tick if a vegetarian meal is required, and if it is 'ovo lacto' or 'vegan'.

### **What are the times I can have my wedding?**

Luncheon Events: From 12.00am – 4.00pm. All guests are asked to be vacated by 4:30pm. Evening Events: From 6.00pm – 11.00pm. All alterations to the above event times will be considered.

### **Do you do drinks on consumption?**

We offer drinks on consumption for our lunch packages but not for dinner. Beverage selection is subject to change as Tsunami's beverage menu changes but an appropriate replacement will be provided should the list change by the time your wedding comes around.

### **I own a winery/liquor store/nightclub/I am a wine rep/my future father-in-law/BFF/dear-friend-of-the-family wants to provide the wine for the wedding. Can we byo?**

Unfortunately Tsunami is a fully licensed venue with a unrestricted tavern license and consequently does not permit byo.

### **You have such a beautiful garden area. Can I have just my wedding ceremony there? (I've booked my wedding reception at another venue).**

We have a special package that caters for this. There is a minimum number and spend but it will provide you with an under cover venue for your ceremony together with drinks for your guests. This is handy if you want to have your wedding photos taken and want there to be an area for your guests to relax in before they head to the wedding reception venue. Please enquire.

**Is it under cover? What if it rains?**

The main garden is under cover although we have the foliage designed so that it doesn't look like it. We have a nice 'lush' romantic garden feel to the area, but if you look closely it is indeed under cover.

**Should I have a Set Priced Menu or Cocktail style wedding?**

Tsunami offers a large selection of set priced menu varieties or canapé choices and ask that if more choice is required please enquire with your function co-ordinator. For beverages Tsunami has an extensive wine and beverage list. We only offer inclusive packages for beverages and not by consumption.

**When is the deposit required? As well as balance of deposit?**

If you are interested in our venue we can hold it for one week after which it will automatically become free for bookings. When you have decided you can hold the date with a \$500 non-refundable deposit. The balance of the wedding monies are paid two weeks before the event.

**When should I choose my set menu?**

You should choose when you make pay your deposit. You can change your mind at a later date (not too late please).

**Do you have any preferred suppliers you use?**

Jazz band ~ John Bannister 0412687716 (you can see him play live at Tsunami on Friday nights).  
Photography Manny Tamayo 0425 051246 [www.mannytamayo.com](http://www.mannytamayo.com)

**Can I use my own suppliers for decorations, cakes, entertainment etc. ?**

Yes.

**Do you hold ceremonies at the venue?**

Yes. In the back back area. Hire is \$350 which includes chairs for the bridal parents & family, and a table and chairs for the bride, groom and celebrant. One hour roughly is the time you will need. Please see your functions advisor regarding extra chairs or drinks etc.

**You have such a beautiful garden area and it's under cover also. Can I have my wedding ceremony there? (I've booked my wedding reception at another venue).**

We can hire out the area to you for a fee and offer your guests a place to have a drink and relax whilst you have your wedding photos taken before you all move onto the reception venue.

**Is there anything anywhere else close for the ceremony?**

Yes. Across the lane from the back back area there is a park - it is free and within easy walking distance. For more details contact Mosman Park council on 9384 1633.

**Do you have preferred suppliers for DJ that we are required to use or are we free to select our own?**

We have some recommendations but you are free to choose your own. Noise restrictions apply and you should ask your DJ to contact us at earliest convenience. We

will need to talk to them concerning setup and they will have to meet at the venue before the event.

**When do I need to confirm final numbers?**

Two weeks before, along with the payment.

**When can I bring in the cake, place settings and do the decorations?**

After 2pm the afternoon of the wedding for an evening wedding. For a lunch wedding, after 10am.

**How many people can I have?**

130+ for square tables (most popular), 110 for round, and 340 for cocktail/buffet.

**Is the venue / toilets Wheelchair accessible?**

The rear garden function area has multiple entry points and a unisex disabled toilet. If your wedding guests include people with disabilities or elderly who are wheelchair confined please ask to inspect our facilities.

**Can we come and inspect the venue? Can we inspect while there is an event?**

Absolutely. Any night you can come down and have a look. Please ring in advance so we can be ready for you to answer your questions. After 8:30pm is always best (after service). We can also give you a small peek at another wedding as long as you are discreet and are accompanied by us.

**Are chair covers included? Is the bride & cake table skirted?**

Most weddings at Tsunami do not use chair covers and table skirting as the venue has a very natural 'organic' oriental garden theme so we tend to find people look at that rather than the chairs and once people are seated you can't see the chairs, (you will save a lot of money this way), but you are welcome to have them if you wish.

**Where do my guests park? Can you help with transport?**

There is ample parking on the street for you and all your guests. If you have a really big wedding please speak to us. We can make arrangements with transport companies for transporting large numbers of guests and we will happily pass on any saving to you. This will make it easier for those who want to have a few drinks also. Also note we are 5 minutes from the train station for those who live along the train line (Subiaco, West Perth etc).

**Why should I have my wedding here rather than a hotel?**

- 1) Price. We are similar and perhaps a little cheaper. At a hotel chair covers and other decorations are necessary. Here they are not.
- 2) Food quality. Whilst hotels are better equipped to pre-prepare food on a mass scale and refrigerate it for quick service, we as a restaurant are more focused on preparing high quality meals. So whilst it's harder on us to prepare and cook the food we believe the food is better. It's what we do.
- 3) It's unique.
- 4) You can have top quality Japanese food but still have excellent western food for your family and friends who are not into Asian food. (Our chefs are competent in French and modern Australian cuisines).
- 5) The garden and lights are beautiful but it's still under cover.

6) Parking is easier and being very close to the train station will suit some. In the city your guests and family will have to pay most likely for parking.

7) You can save money by not having chair coverings and bows which are needed at other venues to make it look nice. (It already looks nice).

**Do you have an area for small ceremonies? (Tea Ceremony)**

Yes. Please come and view the area and see if it suits you.

**How can I see what it's like?**

We can send you a DVD which shows you what a wedding at Tsunami looks like. Go to the bookings page and email us with your mailing address and we'll send you one. Or you can ring us on 92847788 after 4pm and arrange a time for a viewing (usually at night after dinner - you can come in for a drink).

For a look at the venue you can use Google maps to look inside.

**Tsunami Wedding & Functions**

## Terms & Conditions January 2017

Please let us know if you would like to ask questions regarding any of the below.

### **Tentative Bookings**

All unconfirmed reservations will be automatically cancelled after a 7 day period. No responsibility is taken for canceled unconfirmed reservations. To secure your chosen Tsunami function date, please fill out and return your completed booking confirmation form along with your function deposit of \$500. Once your deposit is received you will be given a written receipt or confirmation email. All deposits are non refundable. Deposits are deducted from your final function account.

### **Cancellations of Events**

In the event of a function being cancelled within 30 days (written notice is required to be given) of the reserved date, Tsunami reserves the right to charge 25% of the estimated value of your event. Please see your function co-ordinator if clarification of this information is required.

### **Entertainment**

Tsunami is equipped with a modern sound system with the ability to control volumes in differing areas together with a comprehensive selection of music. We also are able to recommend a range of quality bands and DJ's who have experience with our facilities and sound set up and will gladly provide phone numbers for you to arrange details with them direct. Tsunami reserves the right to control the volume level of music should it deem that the level is excessive and will keep the back doors from the restaurant to the garden shut when not being used to allow people to enter the room. The purpose of this is to keep down the noise of the dancing from 10pm onwards.

Due to council regulations loud outside amplified music is not permitted. No external speakers etc will be able to be set up in the garden or 'ripple' area. There are speakers already there and they can be used. As your DJ to bring a laptop or iPod device in addition to his equipment to supply music to this area. His 'desk' equipment will not be able to be used to provide sound to this area. Please inform him of this. The use of bands playing outside is allowed as long as these bands are strictly 'unplugged' ie no amplification of any kind except for internal speakers built into some keyboards. Please inform your band of this or ask them to contact us. Tsunami has regular jazz bands playing on the weekend as well as a house DJ who is experienced with the sound system setup. Contact numbers available upon request.

### **Band**

All arrangements with bands to play at Tsunami must include a specific instruction regarding food and drinks for the band. This can be for example 'no food, just soft drinks' (which will be added to your bill), "just bottled tap water" for short engagements, or a meal and beer tab. It is entirely up to the discretion of the client. Please let us know beforehand how you would like us to handle this.

### **PA System**

Tsunami has microphone and speaker facilities and will have them available for you to use at your function. External DJ's cannot use Tsunami's speaker or PA system. No speakers in garden allowed except for Tsunami's existing speakers. External DJ's must consult Tsunami before setting up and must agree to Tsunami's sound terms.

If your wedding is of medium to large size you may want to ask your DJ to provide a larger external PA and speaker than that of Tsunami's.

### **Decorations**

We are happy to accommodate any theming necessary for your event however no items are to be nailed, screwed, stapled or adhered to any of our surfaces or fixtures. Confetti or rice is not allowed on the premises. If any damage is caused to Tsunami due to decorations, the function host will be charged at \$55/hour. This amount will be added to your final function account. As the garden, lights and girls in traditional costume look exceptionally beautiful, you may feel there is no need to pay for any additional decorations. Upon request we have a variety of coloured napkins, table cloths and overlays that we can order in for you at extra cost. Use of Tsunami's standard napkins is free, other colours are available for \$150. An additional set up fee may be charged per hour for the estimated time required for any styling or decorations not provided by Tsunami that is required to be set up by Tsunami staff. This will be charged at \$100 per hour.

### **Place Cards, Table Gifts & Guest lists**

The above items asked to be delivered to your function co-ordinator one week prior to your function event.
