WATERSIDE HOTEL

Function Pack

WELCOME

Perched on the corner of Flinders Street and King Street lies the Waterside Hotel - a grand, three-story brick pub bearing a colourful past as the first port of call to Melbourne from the Yarra River in the late 1800's. It writes its next chapter, with Melbourne hospitality group Sand Hill Road now at the helm of the iconic Melbourne establishment. Made up of a collection of fun and unique hospitality spaces dispersed over three levels, each corner hides a surprise just waiting to be explored.
