

ST. ALI

ST. ALi x Mercedes me

The most livable city in the world is home of Australia's first Mercedes me store. The eleventh Mercedes me location worldwide, Melbourne joins cities including Hamburg, Munich and Hong Kong.

By day you can simply sit and enjoy great hospitality from partner ST. ALi, or engage with Mercedes-Benz like never before in a casual and relaxed environment. By night, through our special events, it's a place to experience standout collaborations in art, food, fashion, sport, design and innovation.

Mercedes me Melbourne
Café culture meets Mercedes-Benz lifestyle.

SPACES

Embracing versatility on multiple levels, the Mercedes me design unfolds in a sequence of spaces that vary in size and character, each transitioning seamlessly from daytime cafe and meeting place to evening event space for celebrations and launches.

EXCLUSIVE HIRE

Hosting up to 300 guests as a cocktail venue (with access to the Rialto Atrium that can host up to 1000 guests*) and 100 guests as a sit down private function at ground level. Exclusive use of Mercedes me allows guests to explore the award winning multi leveled space.

UPPER MEZZAINE LEVEL

The upper mezzanine is the perfect space for an intimate gathering. Overlooking diners on the lower level, it can comfortably accommodate between 40 and 80 guests as a private cocktail event.
