Palace Arcade can cater to birthdays and social groups from 10 to 160. We have a comprehensive bar, on-sight kitchen and a huge amount of retro arcade machines. It is an ultimate mix of entertainment, food and drinks.

Once you have selected a per head spend that fits your needs our Function Coordinator can discuss options for areas. We have upstairs and downstairs areas both with their individual vibes and tables and booth options. As we are primarily a bar/arcade more so than a restaurant we don't allocate a seat to each person in the function. The functions seating and table allocation will be deemed by the size and requirements. Below are our tables and booths over upstairs and downstairs.

The below are suggested spend per heads. This spend can be split between Food, Drinks and Games. An allocation of tables/booths along with a non-exclusive area will be given to the function. We can cater to function ranging from 10 people to 160. A deposit of 20% of function cost will be taken at time of booking via invoice (Credit, Direct deposit, EFTPOS).
