## We have the perfect venue!

Oh my! First, let us start off by saying congratulations to you and your partner to-be. You've come across the ideal romantic venue that will make your big day even more memorable.

Whether you're looking for a breathtaking view, a central location, a decadent menu crafted for you and your guests, or simply a place that will make your wedding insta-worthy. Our Wedding Executive will make sure your day is perfect from your first guest arriving, until the last one leaves.

Our intimate function spaces allow for all of your wedding celebrations to be held in one location. Have a cocktail rehearsal with your bridal party, enjoy breakfast with the soon to-be in laws, celebrate your hens' night in one of our suites, the possibilities are endless.
