Have you ever tasted winter?

With this question, we would like to introduce you to our third Caffè Bartolo menu.

This is our interpretation of Bartolo's private diary. We've taken inspiration from his notes about what surrounded him and translated his passion and curiosity into flavours. Using six emotions, events and places, we've evoked the feeling of 'Winter' and transformed them into cocktails.

You'll then find our interpretation of some classic drinks and finally visit our wine list.

So...
what does
winter
taste like?
