SPACES

PLATFORM LOUNGE & BAR

Capacity: 80 seated, 150 standing

This is one of the most unique function spaces in Brisbane. It can cater for up to 150 guests or be sectioned into smaller semi-private areas. The lounge pays tribute to its name due to the window that runs along the back wall which looks directly onto the trains pulling into Platform #1 in Central Station. The dark timber and textures of the furnishings gives the Platform Lounge a stylish and warm feel.

Platform Lounge runs adjacent to The Alley which is positioned in between the Lounge and the bottle shop and can be added to the hire area to increase capacity and add an extra space for guests to mingle. The Platform Lounge is the perfect place for any event but we specialise in large corporate events, birthdays and engagements due to our location and ease of access to public transport.

PLATFORM BAR EXCLUSIVE USE ON A FRIDAY MIN 80PAX & \$1500 MIN SPEND.
SATURDAY HAS A \$1000 MIN SPEND IN THE PLATFORM BAR WITH MIN 70PAX.

DINING CAR EXCLUSIVE USE ON FRIDAYS \$850 & SATURDAYS \$750 MIN SPEND.

BEER HALL

Capacity: 62 seated, 200 standing

The always beating heart of Grand Central, the Beer Hall also known as Fihelly's Bar, is the main area of the hotel where all the action occurs. The room lends itself to casual gatherings and groups, and small "non-exclusive" spaces can be reserved. The Grand Central Hotel's Beer Hall really is one of Brisbane city's last locals.

THE DINING CAR

Capacity: 30 seated, 40 standing

This intimate 30 seat room is a delightful testament to train-like ambience and is great for a private dinner event, cocktail workshops and business meetings. The room can be set for up to 40 guests in a standing cocktail style and is perfect for family events.

The intent of this strategy is to minimise the risk to Hotel patrons of consuming excessive amounts of liquor, or consuming liquor more rapidly than they otherwise would during the function period. The venues Responsible Service of alcohol policy will remain in place and the strategies below will look to complement the RSA policy during the function.

No discounted liquor is available during the function unless the function occurs during Happy Hour (Monday to Friday 5pm – 7pm) or on a weekend. Happy hour & the weekend promotion applies a minimal discount across a range of beverages as an incentive to reward regular customers of the venue. Happy hour and the weekend promotion is not intended to encourage rapid or excessive consumption of liquor.

The following measures will apply during a function

- As with our standard operating procedure complimentary water will be available to patrons during their function.
- All functions are encouraged to purchase platters or meals for their guests.
- Functions or get togethers that food has not been ordered by the organiser can purchase meals/snacks from our bistro from 11.30am to 9pm daily. We also have a vending machine available for guests to purchase light snacks from at any time.
- Discounted beverages will include non-alcoholic beverages as well as light and mid-strength beers. High volume liquor beverages are encouraged to be excluded from function bar tabs.
- Stock-piling of beverages by an individual or group of guests will not be permitted during the function duration.
- Functions are held in our function area (Platform Bar or Dining Car) so the same staff are responsible for monitoring and restricting excessive consumption for the entirety of the function
- Guests will be restricted to one drink per person at the bar for the duration of a function that does include a bar tab.
- Functions that do not offer a bar tab will only be able to purchase multiple beverages when they have been identified by staff as buying “a round of drinks” for their group if it is consistent with their recent purchases.
- Where possible staff members are to make periodic checks of the function area including outside to monitor the behaviour of guests, ensure stock-piling has not occurred and all alcoholic and nonalcoholic beverages are inside our licensed area.
