TESTIMONIALS

I have been coming to the resort now for over five years in the capacity as an organiser of conferences and personally. I have found the staff to be hospitable and only too willing to make our time at the Resort the best they can. The facilities and location have always impressed me. I would recommend Portsea Village Resort to any future visitors whether you are organising a conference or coming along for a well-earned rest and recreation.

The staff at Portsea Village Resort are very responsive and helpful. We have a number of staff with extensive dietary requirements and these were addressed with a lot of care. We have enjoyed our last two conferences at Portsea, it's a great setup with everything close in proximity, the restaurant, accommodation, conference room and outdoor facilities like the pool and tennis court.
