

SMITHY'S BAR

Our bar is named in recognition to the contribution of Sir Charles Edward Kingsford Smith, MC, AFC (9 February 1897 – 8 November 1935), often called by his nickname Smithy made to Australian aviation industry.

Smithy was an Australian aviator who made the first trans-Pacific flight from the United States to Australia. He also made the first non-stop crossing of the Australian mainland, the first flights between Australia and New Zealand, and the first eastward Pacific crossing from Australia to the United States; and, also, made a flight from Australia to London, setting a new record of 10.5 days.
