# THE VENUE

*The Lucky Squire is what craft beer-drinking dreams are made of*

The Lucky Squire, brings the luck of James Squire – Australia’s first brewer, to the heart of the Gold Coast. A charmer, a swindler, a scoundrel and a cunning character; the legacy of James Squire is honoured in everything we do.

The venue has been architecturally designed to showcase our true love of food, craft beer and the spirit of the Gold Coast - with an interior that mixes old-world charm with a bit of Gold Coast flair; think loads of timber, offset by accents of copper and zinc.

Our ground floor features a commanding 14-metre-long bar which catches the eye of discerning beer lovers – it’s lined with custom-built copper-trimmed beer taps pouring the entire James Squire range from pale ales and

porters to lagers, ginger beer and ciders.

Our top level is defined by a smaller boutique bar and seating area, offering prime viewing of the fully functioning glass-encased microbrewery. Up here, our head brewer experiments with different styles, hops and malts to create small batches of limited edition beers that are exclusive to The Lucky Squire, which you will see rotating regularly across the venue’s taps.

The Lucky Squire celebrates over 200 years since the founding father of Australian brewing arrived on the First Fleet in 1788. It is a venue that James Squire himself would stop and have a beer in... and we hope you do too.
