SOME ANSWERS TO YOUR QUESTIONS!

How long is my function?

Functions are a standard 4 hours, but you are more than welcome to extend your function if there is availability.

Is my space private?

The Pianola Bar is a private space, with it's own private bar. All our additional spaces are semi-private and are a part of our whole venue. That means your space is reserved just for you, but you'll be using the same bar, bathroom facilities, etc as the rest of the venue.

Can I play my own music?

The Pianola Bar and Honky Tonk both have the ability to play your own music, this can be a DJ, band or just a playlist of your choosing through the AV system. All other function spaces are semi-private and part of the whole venue, as such we are unable to play separate music for functions. We play music that appeals to everyone and have live music every Friday and Saturday night!

Do you have alcohol other than beer?

Of course we do! Our bar is stocked with our Fizzer seltzers, wines, and spirits and non-alcoholic beverages.

Can kids come?

Children are more than welcome to attend our venue! All children under the age of 18 must be accompanied by a parent, guardian, or responsible adult.

Persons under the age of 18 are asked to leave the venue at 10pm.

How much does a function cost?

Costs depend on the space, day and length you would like to book. Get in touch to discuss!
