VENUE OVERVIEW

Tatler is dedicated to ensure your experience is second to none. We cater for everything from birthday celebrations to corporate events, private functions, product launches, live music events, engagements and wedding receptions. The following overview will explain in detail how the venue operates and what we have on offer to make your event like no other.

THE VENUE

A unique venue designed in the style of a private home, yet open to the public for all to enjoy, Tatler Sydney has been created as the ultimate entertaining environment and is available for exclusive hire all year round. It's your private nightclub, a bar to romance in, a music venue to dance away the night and a space in which you can escape and create your own Tatler story.

The image shows a sophisticated bar lounge with a rustic stone wall on the left. A large mirror is mounted on the wall, reflecting the interior. In the foreground, there are several patterned armchairs and a tufted leather sofa. A large vase of white flowers sits on a table. In the background, a well-stocked bar is visible with a tufted leather bar stool. The ceiling is dark with recessed lighting, and the overall atmosphere is warm and intimate.

FRONT BAR & LOUNGE

Available for exclusive use this bar hosts groups of up to 40 people in a cocktail style setting and is able to be sectioned off as an exclusive use area leading directly onto the dance floor. It's the perfect room to have a Champagne reception as guests arrive for an evening of celebrations or for more intimate mid-week events.

STAGE & LIVE PERFORMANCE

With two in house bands performing on a weekly basis, adding a sophisticated live music edge to your event is a seamless process. Having hosted many great names over the years we also have access to a broad spectrum of other talent. To see the space in real time, come down on any given Wednesday or Thursday night to witness The Uptown Quartet or The Soul Society in action.

AV & DANCE FLOOR

By ensuring the audio visual set up of the venue was not compromised we now have some of Sydney's best DJ's calling Tatler their home each Friday and Saturday night. Tatler switches from cocktail lounge into a classic Disco environment within moments creating the ultimate party atmosphere.

We run Technics 1200 turntables, CDJ 2000's and a DJM900 mixer all powered through crown amplifiers into a TurboSound system.

EVENT CATERING

With the attitude that anything is possible, we cater to any budget. We work with you to select from our canapé menu in order to suit your individual needs, alternatively if you are hiring the venue exclusively we are happy to work with your favourite caterer - it's your night.

GRAZING STATIONS

A famous offering from the Tatler stable are decadent grazing stations that can be set up for your guests to enjoy throughout the evening without the fuss of service staff and ensuring everyone is fed at their leisure. We can arrange a variety of options for the stations with meat and vegetarian offerings both considered.

BACK BAR, LOUNGE & GARDEN TERRACE

Our back bar services food and beverage which enables the venue to be split and host multiple parties simultaneously. Our lounge area is perfect for small groups and leads onto a beautiful garden terrace which is the perfect outdoor entertaining area. With room for up to 50 guests the space is quite often filled in the early parts of the evening with a large number of guests wanting to catch the city lights at dusk.
