“Thank you to all the crew at Running With Thieves for making our Culleys Staff Christmas party 2022 one of the best yet, and that’s saying a lot as we have had a few. The drinks and generous portions of food were outstanding and were loved by all our staff. Also being in hospitality we understand customer service and wanting to spoil our staff for our annual Culleys Christmas Party, Mike and I felt totally at ease on the afternoon knowing that the team at Running With Thieves had it all under control.”

- Mike and Mel Culley (Culleys)

“Just wanted to reach out and say that our team thoroughly enjoyed our afternoon on Friday last week. The food was absolutely incredible and cooked to perfection, and the variety and taste of all the beers and gin were great. Ella was fantastic to deal with in organising the event. And a special mention to Lachy who gave us a private tour of the facility. His knowledge, enthusiasm and passion was amazing. Thanks again for your hosting us.”
