**stone &
CHALK**

Together we ideate. innovate. impact.

Who We Are

The Stone & Chalk Group is the largest innovation community in Australia, with a mission to create a more sustainable, tech-driven economy. We work to support our community of startups, scaleups, corporations, and governments through events, programs, advocacy, and partnerships.

At Stone & Chalk we can bring your events to life, whether you're looking for expert support to turn your idea into a reality or just the right space to activate your event.

Located in the hearts of Sydney, Melbourne and Adelaide, our four hubs are purpose built to offer endless event opportunities while tapping into the ingenuity of startups and the big players in emerging tech.

Choose from a range of different spaces to suit your individual event needs, whether it's a small intimate gathering or something on a larger scale. Our event managers can work with you to find what works best.

Stone & Chalk Event Guide

Digitalise your event

Looking to run hybrid events, record webinars and podcasts, or host a livestream? Or simply wanting to present your content on a screen for your event? We've got you covered.

In each of our hubs, we're equipped to take you digital, allowing you to host, record, and distribute your events so you can reach the largest possible audience wherever they are.

We have a range of tech packages to suit your needs:

Additional tech support for pre and post production is also available.

Spaces

All of our event spaces have been architecturally designed to promote connection and collaboration between teams, clients, and customers.

Experience an electric innovation culture that functions at all levels to foster creativity, learning, and community.

Providing end-to-end support, our team is invested in the success of every event that we host. Prior to your event we offer a site visit to discuss your requirements and to plan the setup, leaving no detail to the last minute. All events have a dedicated team member onsite to welcome your guests, run the AV system, and ensure the smooth running of your event.

Host your event at Stone & Chalk and take the opportunity to find out what's new across the Stone & Chalk community, and the larger emerging tech ecosystem. This is Australia's home for emerging tech, and a great place to connect with future industry leaders.

Basement

Wheelchair accessible

238 m²

130 Theatre

150 Cocktail

Hybrid Friendly

TVs, Microphones, Speakers

Situated underneath the 3 storey brain that is Stone & Chalk's resident levels is our exclusive Basement space. Quite the opposite to the light and bright Courtyard, this space is for getting down to business. Perfect for medium to large group workshops, industry panel sessions, and intimate networking events, this really is your best choice to hone in on your attendees and harness their creativity bouncing off the sublevel walls.

Courtyard

Wheelchair
accessible

198 m²

150 Cocktail

Microphone,
Speaker

A grand open courtyard lined with lush greenery scaling almost every wall. This space is easily our most attractive option for cocktail parties and networking events at a larger scale. Even though outdoors, we have marquee facilities that can cater to the ever-changing Melbourne weather we know and 'love'.

Make use of our special features to liven up your event, including a basketball hoop, BBQ, and deck with festoon lighting. Whilst open to the fresh air, this courtyard is completely private enabling you to retain full awareness over the whole area and your amazing attendees.

Studio and Boardroom

Wheelchair accessible

73 m²

62 Theatre
24 Workshop
75 Cocktail

TV, Microphones,
Speakers

Combining the best of our Studio and Boardroom spaces, this expanded room can play host to a multitude of event formats. Inspiring panel sessions, constructive team workshops, or an energised space that incites connections and networking opportunities, the room plays its part for all. This space affords the user a large enough room to feel comfortable yet remains intimate enough to still know everyone in the room. It's the perfect in-between solution.

Collab Space

Wheelchair accessible

94 m²

70 Theatre
40 Workshop
75 Cocktail

Hybrid Friendly

TVs, Microphones,
Speakers

This is the space you need when you are on a mission to ideate, innovate, and impact with your brand, team or company. Fit for workshops and huddles, this interactive space is big enough to house your team or department yet intimate enough to focus on every person in the room. Progress and success is achieved here, ready for you to take on the world from the (under)ground up.

Studio

Wheelchair accessible

45 m²

48 Theatre
18 Workshop
18 Boardroom
18 Cocktail

Hybrid Friendly

TVs, Microphones,
Speakers

On Level 1, overlooking King Street, we find ourselves in the light-filled Studio. The perfect mixture of formal and educational, the flexible layout is fit for any style of seating and desk arrangement you desire. Suitable for workshops, courses, and small to medium-sized speaking events, this space is the ideal choice.

Furthermore, the adjacent Boardroom can be hired simultaneously as additional room for creativity, privacy, extra space, or catering.

Boardroom

Wheelchair accessible

28 m²

12 Workshop
16 Boardroom

TV, Microphones, Speakers

The most intimate of our event spaces, this is the perfect space if you need a short or long-term offsite space to brainstorm, interview, and/or meet with stakeholders. A room fit with the latest AV facilities and groomed for productivity, privacy and progression for you and your team.
