MUCHO

Our Venues.

Tio's Cerveceria, Surry Hills

Tio's is a tequila institution. We have been serving veredita, cold beers, colder margaritas and hot popcorn since 2011 and have had generations of guests and bartenders through our doors. We are the kind of bar that remembers it is for drinking.

Centro 86, CBD

Centro 86 is an Extra-Ordinary Margarita Bar full of old world charm, with nods to the historic cantinas of Puebla, the bistros of the Latin Quarter and the vermouth bars of Madrid Centro – all with a psychedelic twist. Extra-selected tequila. Extra-special margaritas. Extra-delicious popcorn.

Cantina OK!, CBD

No seats, no worries, it's all Cantina OK!
A garage tucked away in a city alleyway serving the world's best margarita and unique, hand imported mezcal direct from Mexico.

Bar Planet, Newtown

Bar Planet is an Enmore Rd martini bar. A great vibrant, alive, weird, delicious martini bar, where our goal is to casualise the martini. Bar Planet epitomises the MUCHO approach, reimagining classic bar elements with idiosyncrasy – the once-in-a-lifetime David Humphries terrazzo bar top, the twisted light fittings, and the Infinite Spirit, the world's first martini master stock.

The Cliff Dive, Darlinghurst

The Cliff Dive is Sydney's last independent night club. Over 10 years of dance floor filling and cold drink pouring. It is an essential stop on a big city night out.
