# COLLECTOR OF SOULS

## WELCOME TO COLLECTOR OF SOULS.

In the heart of the Swan Valley, nestled deep amongst the old vines and babbling brooks of the region lies our hidden gem known as Collector of Souls.

Legend has it that the original Distiller of Collector of Souls, known simply as "The Collector," had a unique gift for crafting spirits that seem to capture the essence of each patron's soul. With every sip of Holy Water Vodka, Gin Reaper Dry Gin, or Psychopomp Pink Gin, customers experienced a journey of flavours that stirred their deepest emotions and memories.

As word of mouth of the mystery Distiller's gift spread, the Collector of Souls Spirits range became a sanctuary for those seeking solace or inspiration. Artists found muse in the swirling colours of their drinks, while lovers whispered sweet nothings over glasses of alluring elixir. Even the most hardened souls couldn't help but be moved by an unexplainable magic.

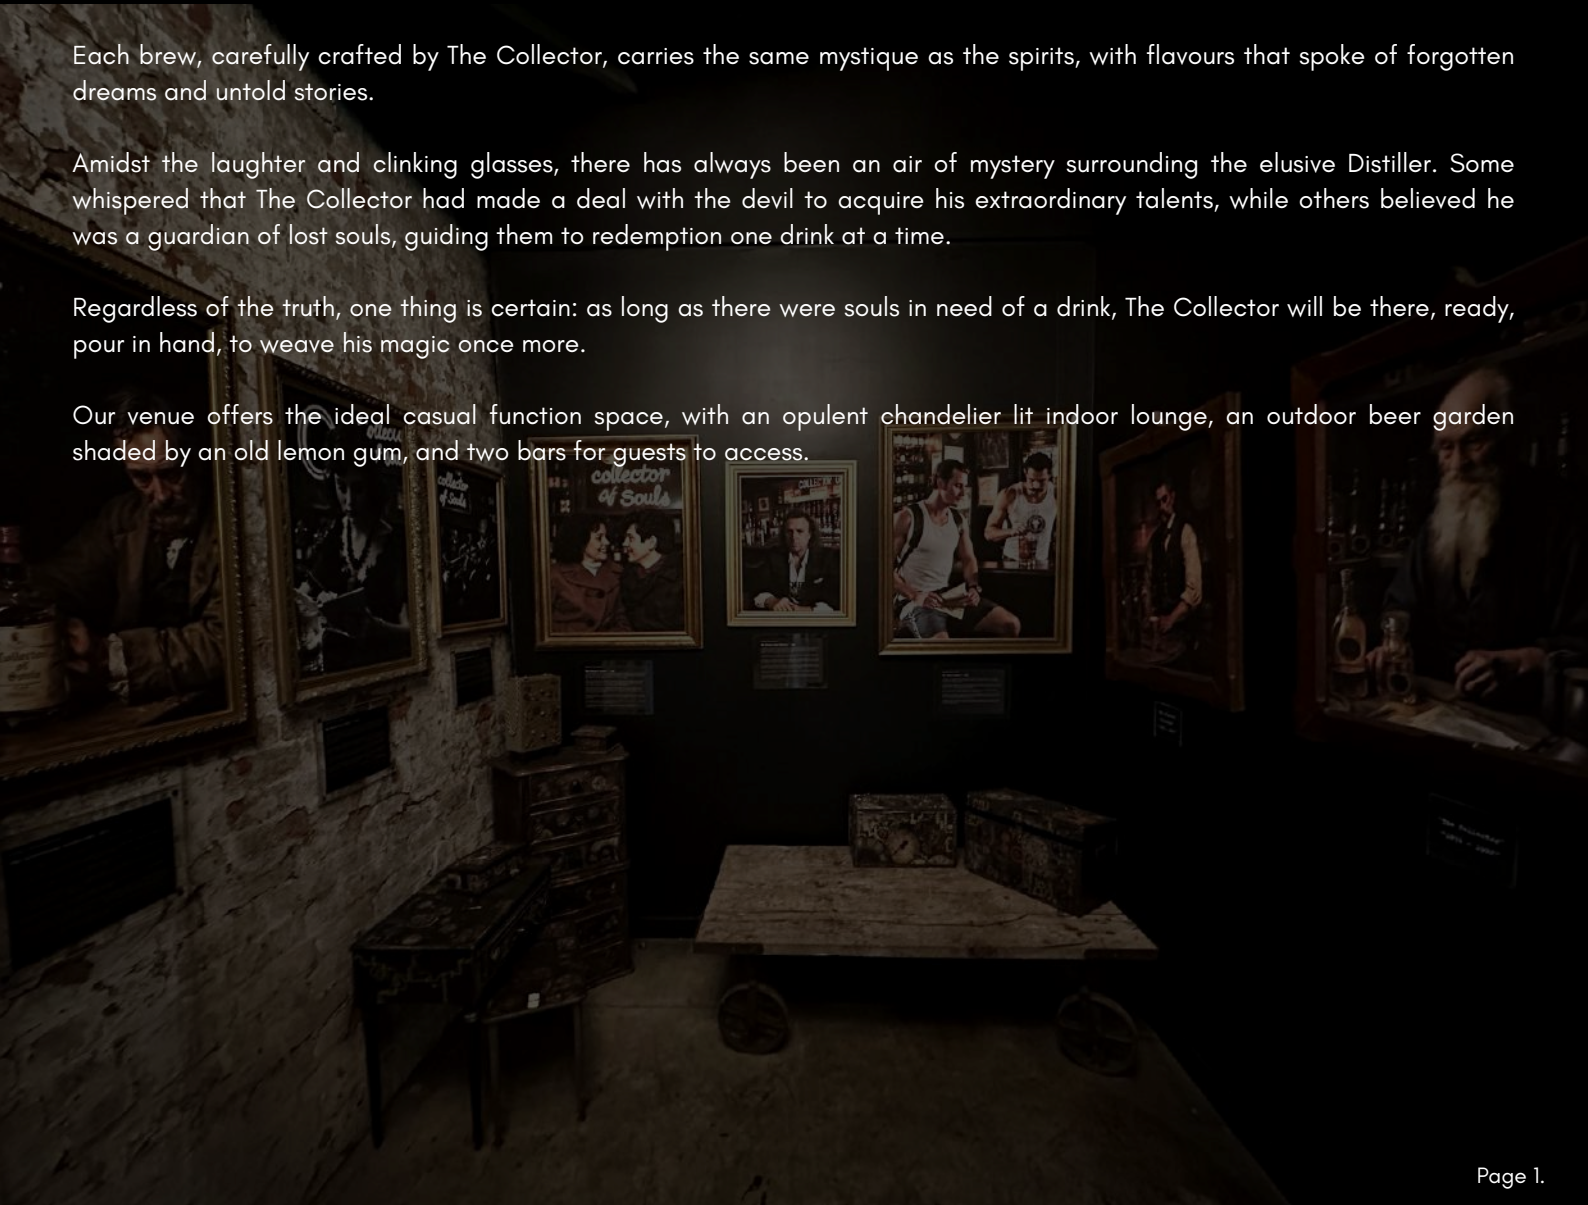

Over time, the enigmatic venue, once known only for its ethereal spirits, has introduced a range of artisanal beers. Our Beelzebub Brewing Co (a devilish Collector of Souls himself, and famously referenced in Queens "Bohemian Rhapsody") is our in-house brewed beer line, complemented by our Galileo Figaro Ginger Beer, Scaramouche Apple Cider, Framboise Fandango Raspberry Seltzer and Old Soul Hard Lemon.

Each brew, carefully crafted by The Collector, carries the same mystique as the spirits, with flavours that spoke of forgotten dreams and untold stories.

Amidst the laughter and clinking glasses, there has always been an air of mystery surrounding the elusive Distiller. Some whispered that The Collector had made a deal with the devil to acquire his extraordinary talents, while others believed he was a guardian of lost souls, guiding them to redemption one drink at a time.

Regardless of the truth, one thing is certain: as long as there were souls in need of a drink, The Collector will be there, ready, pour in hand, to weave his magic once more.

Our venue offers the ideal casual function space, with an opulent chandelier lit indoor lounge, an outdoor beer garden shaded by an old lemon gum, and two bars for guests to access.
